Get on (the) Board!

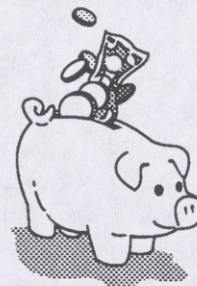

Elections for two of the five elected Board members will be held Tuesday, May 10. The Board of Directors runs Capital City Squares. It controls activities, policy, and your dues and fee money. If you would like to have an active role in running Capital City Squares, consider running for one of these two open positions. It is a lot of work, but you will have the satisfaction of having been an active part of the Club's success.

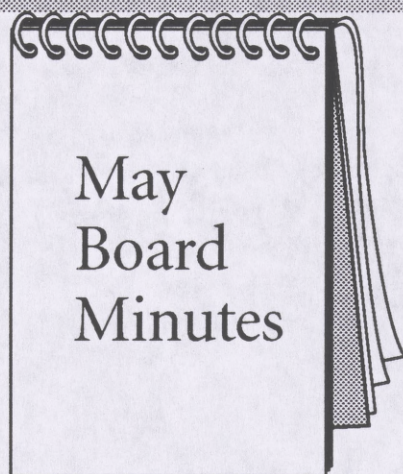

The current Board members are George Fox, Rick Corell, Rich Wilkes, Kas Christopher, and Evan Auberry (the five elected Board members) and Robin Alpenglou and Kris Corbridge (our caller-instructors, who are permanent members of the Board. Russ Marsh, representing the new class, will be a voting member of the Board until a new class rep is elected in the fall. George and Kas are leaving the Board now that their terms are up. But both Kas and George have promised to help the new Board members settle in.

Remember that you are not running for an office; you are running for one slot on the Board. The new Board will decide who will be CEO, secretary, and treasurer. Being a member of the Board is a good way to pay back Capital City Squares for all the square dancing enjoyment you have had and a way for you to have some direct control on how the future of the Club will be shaped.

Please consider running for the Board. especially you women. Your voices need to be heard. Talk to any Board member if you have questions.

And when you attend your first Board meeting, you will be greeted and welcomed by Heidi.

May Board Minutes

April 27, 1994.

Meeting called to order by CEO Kas at 7:15-ish.

Members present were: Kas, Evan, Rich W., James, Russ, Bill, George, Rick C., and HEIDI.

1st Topic—Election Nominations: After a quick question about Fifes (see topic 3), Kas asked about nominations for the two board positions now open. There was a general expression of concern for the lack of interest on the part of the Club members to become a part of the governing board. It was mentioned that while the Board can be operational with a quorum of three elected members, a full five is recommended. Hence, THE CURRENT BOARD OF DIRECTORS ENCOURAGES ANY AND ALL ELIGIBLE CLUB MEMBERS TO CONSIDER RUNNING FOR THE BOARD. It is very important to keep the Club at peak efficiency. Elections are re-scheduled for the 10th of May.

2nd Topic—Graduation: Rick C. volunteered to coordinate the festivities. Russ has graciously offered his skills to produce the certificates of graduation. Badges will be ordered by James in time for the event. (Note here that while the

Club covers the cost of the first badge, the replacement badges must be paid for by the individual.)

3rd Topic—Fifes, "Roll Down the River": At a rough estimate, George indicated that the Club cleared about \$160 on this event. Inclusive of the 50/50 profits, shirt sales, and Saturday only crowd, it is evident that these "extras" made the difference between a heavy loss and a light profit [After more careful calculations, this "profit" dropped to well below \$100; see the statement elsewhere in the newsletter—George] There were 95 registered at Fifes, but with last minute meal "buy-ins," Fifes served 107 dinners on Saturday night. Essentially no problems were reported and everyone seemed to thoroughly enjoy the weekend. Thanks to George and to all those who helped to coordinate the Fly-In. Plans are already in the making for the '95 Fly-In, scheduled for April 21-23 (a week later because of Easter), with featured caller Saundra Bryant. Further discussion was held concerning the second caller, with several names cropping up, as well as where to find a larger second hall. The Board will keep you informed, but save that weekend NOW!!

4th Topic—Summer Dancing: The location for the Summer dancing still has not been finalized. Ideas and discussion were held concerning several possibilities, but it all boiled down to the fact that CCS has few options other than American Lakes School. A decision will be forthcoming by the end of the month...

5th Topic—Upcoming Dances: April 28th with Larry Letson, while Thursday is not the best night, he is available, and it's a prime opportu-

nity for us [Note: For those who missed this dance, you missed a great time with a fun, fast, and exciting caller! We had three squares at Smythe School and he had us MOVIN'! It was worth the effort, believe me.—George]; May 14th, Yellowrock Dance with Todd Fellegly, at Wm. Land School. This one oughta be lots of fun, too, and bring yer minin' accessories; June 11th, Pride Dance with Joe Kula, at Wm. Land School. This is in conjunction with Sac'to's Gay Pride Day (in Capitol Park this year). Come dance with Pride!; July 30th,

with Richard Lane, location TBA (but NOT Cook's Barn). He's new to most of us, but it'll be a great Summer eve's activity.

6th Topic—New Member Hoedown: After much discussion, the Board felt that having a new member hoedown on a Saturday was neither cost effective nor all that successful in the long run. It seemed to most present that few of the new people who came on Saturday were there the following Tuesdays. It seemed a better idea to have an initial Tuesday session being "Welcome, Have Fun!" and go from there. The date for this was set for September 6th, the day after Labor Day, with "open enrollment" through the next week (two open sessions), followed by the "serious" teaching. This, of course, is subject to ratification by Robin as instructor.

7th Topic—Lambda Fair: George contacted the officials and sent the booth fee and security deposit on April 19th. Rich W. recommended a "demo square" for the Fair and volunteered to coordinate this part. Russ stressed that the idea here is not a "competition club" but is to show that the Club is social/fun.

8th Topic—Men's Chorus: Russ asked if the Club might be interested in placing an ad in the Men's Chorus Program for their Pride Concert, assuming such is possible. The Board unanimously agreed to do so.

9th Topic- Club Directory: Kas mentioned that a new Club Directory ought to be prepared very soon. Bill has been keeping records as accurate as possible. George has placed the current list out at the past few club nights to let people check their own "vitals" as this is

the list Bill will use. IF YOU HAVE ANY CORRECTIONS TO CURRENT CLUB RECORDS, GET THEM TO A BOARD MEMBER NOW!!! The final print of the new directory is ready to go, dependent only upon Bill's time.

10th Topic—Treasury Report: George reported that there is \$2541.39 in the treasury. He also mentioned that there are four callers (though it's hoped that attendance at the dances will cover each of these), all the new badges, newsletters, printing costs, any advertising, Callerlab (BMI/ASCAP) fees, and miscellaneous items to pay for with little further income, between now and the start of the next class/year.

11th Topic—Del previously approached George about covering costs for Gay Caller's School at Convention this year. After a lengthy discussion, the Board agreed to cover 50% of the cost of the class (\$90).

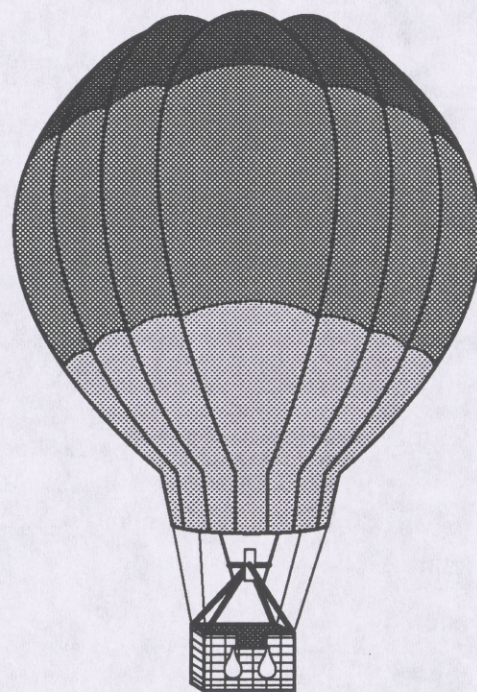

12th Topic—Bill mentioned a "thought item" for the future: "Associate Membership" (the annual membership fee) with a "pay-as-you-go" option at events. It was suggested that this may be a way to regain those members who cannot come all the time but want to stay in contact and on the "active" list. It was pointed out that this option already exists but has not been formalized as such. This topic led to further discussion of the current "associate member" status as defined in the bylaws and whether this, too, ought to be revamped. The Board agreed to table this for now but "ruminate" over the possibilities.

13th Topic—Int'l AIDS Candlelight March: James requested use of the club equipment at the Federal Building on Capitol Mall for the March on May 22. After a short discussion, the Board agree this was an important event and a valid use of the equipment (it is needed for amplification of the speakers that night.)

NEXT MEETING: June 1, 1994 at this same location (HEIDI'S)

Meeting adjourned around 9 P.M.-ish

A Fifes Report

At the Board meeting, Russ requested some sort of "financial final analysis" of Fifes. Because there were at least three of us acting as "cashier" over the course of the weekend, I am a bit fuzzy on where some of the minor amounts of money came from. Therefore, bear with me, and herewith is a report:

Income:

Pre-Reg's	\$ 8640.00
Friday Reg's.	200.00
Dinner only	120.00
Shirt sales	560.00
Door Reg's	400.00
50/50 Raffles	163.00
Dangle sales	38.25

Total Income \$ 10121.25

Expenses:

Fifes Rooms	\$ 5395.50
Fifes Dinner	1150.25
Caller Fees	1710.00
Vet's Hall	483.00
Reg. Refunds	410.00
Stage Rentals	148.00
Shirt Purchase	472.43
Dangles	162.15
Festive Cake!	50.00
Miscellaneous	59.67

Total Expenses \$ 10041.00

Net Profit \$ 80.25

Notes: Although the dinner at Fifes was charged in the package at \$10, the actual cost to us was \$10.75 (that's \$80.25 for the 107 people); Miscellaneous includes such items as 50/50 tickets, name tags, fliers, and the like; approximately 40 shirts have been sold, 4 were given to the Fifes staff, and the design creator (Bill Hinson) received his free (leaving several still available).

As indicated in the Board meeting minutes, without the input of people coming in for the day, the 50/50 raffles, and the shirt sales (thank you, Dennis! for the idea), we would have lost a good bit of money. While it was wonderful to be able to keep the costs and expenses close together, this does mean that next year the costs will be higher. AS USUAL, WE WILL DO EVERYTHING POSSIBLE TO KEEP IT CHEAP!
